HOSPITABLE
BRANDENBURGEntertains The Teachers of The
Fourth Congressional
District.ELIZABETHTOWN CLAIMS
NEXT MEETING.

BRANDENBURG, KY., (Special).—The larch string was on the outside last week; the teachers only had to pull and enter our old town where they found all they wanted except five-dollar bill at their breakfast places.

The program for each meeting was most interesting with C. C. Stephens, from Beaver Dam, President, Miss Gibson as Secretary and Miss Mouna Price, assistant Secretary. Hon. Thomas H. Hamilton made the welcome address which was to the point. A great many on the program were absent. W. B. Maple, Cloverport, and C. M. Varnes, Elizabethtown, Ky., and Mrs. Fontaine Rose, the groom's aunt. Mr. Williams' mother was a Fontaine—a descendant of a celebrated Huguenot family.

We read congratulations to our old Kentucky friends whom we remember most affectionately.

GOLDEN WEDDING.

Mr. and Mrs. J. E. Williams, formerly of This County, Celebrate Their Fiftieth Anniversary At Newport, Ark.

BRANDENBURG, KY., Special.—Louisville people were no more interested in the golden wedding Wednesday, April 11th, of Mr. and Mrs. James E. Williams, of Newport, Ark., than Breckinridge county people. Mrs. Williams was a Miss Matilda Robertson, daughter of Richard Taylor Robertson and Susan L. Rose, early settlers of Jefferson county. Mrs. Williams was married at the old Robertson home in Breckinridge county, Elk Grove, fifty years ago. It was a home renowned for its elegant hospitality in antebellum days. Mr. and Mrs. Williams lived in Brandenburg at one time.

At the golden wedding were our old friends of Kentucky, Mrs. Sue Bate and Miss Kate Robertson, of Louisville, Mrs. J. J. Webster, nee Fannie Robertson, of Nashville, Tenn., Miss Edwison, of Elizabethtown, Ky., and Mrs. Marie Fontaine Rose, the groom's aunt. Mr. Williams' mother was a Fontaine—a descendant of a celebrated Huguenot family.

We read congratulations to our old Kentucky friends whom we remember most affectionately.

Only One Fare From Here for the Round Trip—This Includes Admission to Grand Stand.

Beginning on Derby Day, May 3, one of the greatest race meetings ever held in Louisville will be given at the famous Kentucky race course. Eleven stakes, including the Kentucky Derby, worth \$50,000, will be run during the fifteen days. All the crack horses in the country are engaged in these stakes, including Lister, Gibson, Bangs, John Bright, Lister Karl, Pink Oak, Joseph, Kentucky Farmer, Cleora, Anna Bell, Stramer, Wave and Neane, Flamingo, the Rush, E. There will be five or more races each day, with liberal added money.

All the railroads have put on cheap excursion rates, the round trip from Cloverport being only one fare. This also includes admission to the grand stand, each railroad ticket having a contest attached which can be exchanged for a badge at the gate. This is the cheapest rate ever offered from this point, and a big delegation will leave here on Derby Day to take advantage of it.

The Derby will be run on the opening day, Thursday, May 3, and will be followed by the Debutante Stakes, Turf Congress Handicap, Beguine Stakes, Clark Stakes, Mademoiselle Stakes, Fehr Stakes, Wrentham Stakes, Premier Stakes, Juvenile Stakes, and Kentucky Oaks, in the order named. These are the biggest tail events run in the West. On Saturday, May 12, the Gentlemen's Cup race will be run.

UPHOLDING
TAYLOR

Who Has Been Derided, Scoffed At And Insulted By The Beckham Followers.

HAS THE CONFIDENCE
OF HIS PARTY.

By M. F. Bennett, Ballardown, Ky.

How long will Taylor have to endure the trade of abuse that is daily being heaped upon him? He has already received his share thereof from the Beckham contingent.

But the insult that has appeared to every sympathetic mind most forcibly is the way he was treated on the two occasions when he visited his old home to attend the burial of a brother and a sister. So much of the high estate and journalistic reputation of Taylor, even Henry Watterson, were heard to say "He has deserted the office." "He has played a prank on the Republicans." etc. etc. He left the Capital on a sad mission but did not stay away? As soon as possible he was found at his post again where he will remain. He is a true blue sovereign whom every state loving Republican should encourage in this his darkest hour. Thus for a moment what he has endured while trying to uphold our rights which were manifested at the polls last November. How many of us would have been called before now by the blackboard lot of Beckhams followers who have at last settled to their assistance Tom Campbell, the greatest second in existence.

I recently heard some Beckhams advocates predict that Taylor would "whit" (have enough confidence in him to believe that he will submit to nothing but the rebuff of the highest tribunal. If that court should decide against him, he will stop at as agreed and we will elect him again.

Of course he is a broken man at present, but true friends are better than gold. Every Republican should remember that he has spent his all trying to preserve their rights. Let every Republican continue to battle for liberty and may they soon wipe that damnable machine out of existence and once more enjoy peaceful tranquility in our beloved state.

MAKES MONEY.

A Colored Barber Of Hardinsburg Retires From Business.

WITH A COMFORTABLE
LIVING.

Hardinsburg, Ky., Special.—Phoebus Gutter, the colored barber of Hardinsburg, has recently had to give up his business on account of ill health. For several years Phoebus has been the most popular barber in the town. He had the best part of the trade and says that while he was at the business for ten years he made about five thousand dollars. He owns a comfortable home in the suburbs of the town, and his success is the outcome of strict attention to his own business and having the good will of all who know him. His friends hope that he may entirely recover his health.

CROPS IN CRITTENDEN.

A correspondent from Crittenden county to the American Agriculturist says that about a third of the apple buds are killed. He also says that pastures of all kinds will be scarce this summer, as so many of his own business and having the good will of all who know him. His friends hope that he may entirely recover his health.

H. Clark, Chanover, Ga., says DeWitt's Kidney & Bladder Cure did him a great deal of good. He has a filed him for twenty years. It is also a speedy cure for skin diseases. Beware of dangerous counterfeits.—A. R. Fisher's.

DEATH CLAIMS

Russell E. Hogan, Son of Mr. and Mrs. Chas. Hogan, Monday, April 10th at His Home at Derby, Ind.

At 7:40 o'clock a. m. Monday, April 10th 1900, Mr. Russell E. Hogan, son of Chas. and Margaret Hogan, son-in-law of Mr. L. M. Mitchell, passed quietly away, aged 20 years, 7 months, 11 days. He leaves a wife and a dear little daughter, Russell was in bad health at times for about a year, though no serious alarm was felt in regard to his condition until a few days ago when it was discovered that he had appendicitis. Even then the fond parents, loving wife and sister did not think his end could be so near, but to an hour when they knew "the destroyer came and claimed" he was a victim.

In entering this home Death indeed came a shining mark, bright, handsome and intelligent! A kind, cheerful disposition won him a place in the affection of all. In the home circle he was the idol of doing parents, tender wife and sister. He was the light and joy of the household. But he was a gentleman. The once crowning joy of his parents has now been taken away. God, in his mysterious but all-wise providence, has taken this cheerful boy, and though it seems, and it had to bear such bereavement, to see the young cut down just in the bloom of manhood, yet we must acknowledge that in some way, though in the night of our affliction we cannot understand, it is for the best, for it is the ruinings of One who doeth all things well.

The remains were laid to rest in the Stephenson cemetery Tuesday evening, and the mourning parents, wife and sister returned home to behold the vacant chair and realize as they had not yet done, that the family circle was indeed broken. The bereaved family have the sympathy of the entire community.

OPENING
RECEPTION

Of The Cloverport Athletic Club
Tuesday Evening, April 17th.

SUCCESS IN EVERY RESPECT.

The opening reception and dance given by the Cloverport Athletic Club Tuesday night, April 17th, was a pronounced success. Most of the members were present and sustained their long since acquired reputation of courteous hosts. The gymnasium room was used as a dancing hall, the floor of which was in fine condition for the dance boys who kept time to the music of the Hawweville band until the early morning. The reading room, which is pretty and comfortably furnished, was at all times popular to the card and conversation devotees.

This club has for its members the most prominent young men of the town who have generously offered the use of their well-equipped gymnasium to the young men on Tuesday and Friday mornings. Judging from the enthusiasm of the members of this club and the interest and encouragement of its friends, we predict for it a permanent and successful career.

Those who were present and enjoyed its hospitality on the occasion of its opening reception were: Mr. and Mrs. George Short, Mrs. R. E. Mornan and Mrs. Ella Evans; Miss Jennie Green, Falls of Rough; Annie Hamilton, Sordio, Ella Robertson, Greenham, Belle Bruce Byrd, Nellie Gregory, Alice Murre, Annie and Jane Hamilton, Mable Delavan, Beale Jarboe, Eva and Roy May, Martin and Margaret Bowmer, M. Orr, Allen Owen, O'Connor, James R. Sullivan, Fred Frazer, Eugene Bell, Chas. Moorman, Fred Perry, H. C. Goff, E. C. Babbage, Roy Henry, Joe Harrison and Fred DeLay.

W. W. Mayfield, Merton, Wis., says, "I consider One Minute Cough Cure a most wonderful medicine, quick and safe." It is the only harmless remedy that gives immediate results. It cures coughs, colds, croup, bronchitis, grippe, whooping cough, pneumonia and all throat and lung diseases. Early use prevents consumption. Children always like it and mothers endorse it.—A. R. Fisher.

Baking
Powder
Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

The Royal is made from the most highly refined and wholesome ingredients, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is cheaper at its price than any similar article.

Samples of mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food, and in many cities their sale is prohibited by law. Alum is a corrosive poison, and all physicians condemn baking powders containing it.

THE KISSAPHONE.

I.
The reason why a kiss
Contains so much felicity
Is just because each pair of lips
Is free of electricity.
It flashes in the eye,
Or in a smile so tender,
And then the lips together pressed
Produce the kiss in splendor.
Now, this device is known
By the name of Kissaphone,
And of all the phones invented it is by far
The best.
No other is so easily
Givenself as much felicity,
For love turns on the current, and the kiss
Does the work.

II.
To work the kissaphone,
You do not need a battery,
Nor any dynamo machine.
With magnets and a small battery;
You do not ring a bell,
Nor Central call, Hello-ring—
It only wants a wish, a sigh,
To set the thing going.

III.
The kissaphone was not
Invented by an Edison;
It never has been patented,
Like corsets or a medicine,
It don't get out of gear
If anything is missing;
There is no yearly bill to pay,
No charge for extra wiring.

IV.
The kissaphone is in use
Throughout the whole community;
You need not be a millionaire
To have the opportunity
There's no more cost to pay
For one kiss or for twenty—
So why not push the thing along,
And kiss here in plenty?

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the **Original** and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire material sections of the United States. No Cure, No Pay. Price, 50c.
